1 次の会話文を読み、()内に当てはまる文を(a)~(d)から選び記号で答えなさい。

(1) A: Your kids always talk loudly in public and even try to tease me. Can't you stop them?

B: ()

A: Oh, no! I don't want to appear in the newspaper.

(a) Oh, they never try that with others.

(b) Why don't you cover their mouth before they tease you?

(c) You know that kids are like that.

(d) Well, it's just because they don't like you.

(2) A: Darling, do you mind if I make a phone call before we leave?

B: ()

A: I am, but this is something that's got to be done right away.

B: Okay then.

(a) I do mind. This is not a good timing.

(b) No, not at all. Go ahead. Take your time.

(c) I thought you were in a hurry.

(d) Do we still have enough time?

(3) A: What would you like to order, sir?

B: I'll have a steak and mashed potatoes.

A: How would you like your steak?

B: ()

(a) I like them very much, thanks.

(b) Rare, please.

(c) They were delicious, thanks.

(d) Yes, please.

(4) A: How much does it cost to ride the subway?

B: () This map shows the fare from this station to every other station in Osaka.

A: Oh, that's different from the system in New York.

(a) How did you get here?

(b) How far do you want to go?

(c) It's all in Japanese, so I can't read any of that.

(d) I heard it took a long time.

英 語

(5) A: I grew up in Hagi city in Yamaguchi.

B: ()

A: It wasn't at all. You can't imagine the fun we had.

(a) I also would like to live in a small city, such as Hagi.

(b) You must have spent a happy boyhood there.

(c) That must have been boring.

(d) That sounds like a lot of fun.

2. 次の会話文を読み、()内に当てはまる文を(a)~(h)から選び、記号で答えなさい。

A: What are you going to do this weekend?

B: ((1))

A: I'm having a birthday party on Friday night. Would you like to come?

B: I'm afraid I can't. I promised my parents I'd stay home and do something with my little brother. He is still 8 year's old. He is too small to be alone at home. In addition, he broke his arm in an accident the other day.

A: ((2)) But why do you have to stay with him?

B: He is so spoiled that he wants my parents to be with him every night. They need a chance to go out and have some fun.

A: Won't he be angry when he finds out?

B: ((3))

A: I think you need to have some fun, too. Why don't you get a baby-sitter to stay with your brother?

B: Then he would get angry. When that happens, it's really awful!

A: ((4)) I'm afraid I said something I shouldn't have.

B: ((5))

A: (Laughs) Well, are you sure you can't come?

B: ((6))

(a) I doubt it. Let's hope not.

(b) I wish I could, but it's just impossible.

(c) No, I hope so.

(d) Nothing much.

(e) Oh, not at all! Why should you think that?

(f) Sorry.

(g) That's a marvelous idea! I'll think about it.

(h) That's a shame.

6. 下記の文章を読み、(1)～(8)の問いに答えなさい。

Five Asian countries are responsible for 80 percent of new coal power stations planned worldwide, with the projects threatening goals to fight the ①climate crisis, a report warned on Wednesday.

“China, India, Indonesia, Japan and Vietnam are planning to build more than 600 coal plants,” *think-tank Carbon Tracker said.

The stations will be able to 【イ 生み出す】 a total of 300 *gigawatts of energy -- 【ロ 等しい】 to around the entire electricity generating capacity of Japan.

The projects are being pursued (あ) the availability of cheaper renewable energy, and they threaten efforts to meet ②the Paris climate deal goal of limiting warming to 1.5 *degrees Celsius.

“These last *bastions of coal power are swimming against the tide, when renewable energy offers a cheaper solution that supports global climate targets,” said Catharina Hillenbrand Von Der Neyen, Carbon Tracker’s head of research.

Experts see *phasing out coal, (い) produces *greenhouse gas such as carbon dioxide, as key in battling a climate crisis whose impacts -- ranging from species *extinction to unlivable heat -- are expected to 【ハ 加速する】 markedly.

But many countries in the Asia-Pacific region, long *reliant on the *fossil fuel to power their booming economies, have been slow to act, even as Europe and the United States accelerate their *transitions to ③cleaner energy.

Asia-Pacific 【ニ 消費する】 over three-quarters of all coal used globally in 2019, according to *BP’s statistical review of world energy.
