(10点)

(1) A: Excuse me. I'm looking for a book called *Introduction to Mechanical Engineering*, but I can't find it on the shelf.

B: Let me check the catalog. It appears that the book is currently checked out.

A: I see. I'd like to read it for my engineering class.

B: () I'll let you know when it becomes available.

(a) You should buy your own copy.

(b) Why don't you choose a different subject?

(c) You can place a reservation for it.

(d) We no longer lend engineering books.

(2) A: Good morning. I'd like to change my reservation to an earlier flight to Haneda Airport, if possible.

B: Certainly. Let me check the available flights for you.

A: Thank you. I'd appreciate it if there is a seat available.

B: () However, an additional fee will apply.

(a) There is a seat on the earlier flight.

(b) All flights to Haneda have been canceled.

(c) You cannot make any changes today.

(d) Haneda Airport is closed at the moment.

(3) A: Excuse me. I ordered a hamburger steak with cheese sauce, but this one has tomato sauce.

B: I'm terribly sorry for the mistake.

A: Could you bring me the one I originally ordered?

B: () We'll prepare the correct dish right away.

(a) That's not our responsibility.

(b) Certainly. We apologize for the inconvenience.

(c) I'm afraid we cannot change your order.

(d) Please remove the sauce yourself.

(4) A: Hello. This is room 707. The air conditioner doesn't seem to be working properly.

B: I'm sorry to hear that. Has it stopped working completely?

A: Yes. I've tried adjusting the settings, but nothing happens.

B: () If necessary, we'll move you to another room.

(a) Please open the fridge instead.

(b) I'll send a technician to your room immediately.

(c) There is nothing we can do about it.

(d) Air conditioning is unavailable in this hotel.

(5) A: Professor Wilson, my research topic is renewable energy, but I think it's too broad. Do you have any advice?

B: That's a common concern among students at the beginning of their research.

A: I'd like to make the topic more manageable, but I'm not sure how.

B: () Focusing on one specific area would strengthen your research.

(a) You should narrow your focus.

(b) You should give up the topic entirely.

(c) A broader topic is always better.

(d) The topic does not require any changes.
